

We, the Club, believe that Good Practice at Midlothian Swimming Club is as follows;

1. The safeguarding of children is everyone's responsibility, particularly when it comes to protecting children from abuse. Everyone in aquatics sports – administrator, Club official, coach, parent, friend, children themselves, everyone – can help. Children and young people have a lot to gain from the sport. Their natural sense of fun and spontaneity can blossom in positive sporting environments. Aquatic sports provide an excellent opportunity for children to learn new skills, become more confident and maximise their own unique potential. The Club will place the needs of the child first and winning and competition second.
2. The underlying principles with respect to Wellbeing & Child Protection are that:
  - The child's wellbeing is the first consideration
  - All children, regardless of age, any disability they have, gender, racial origin, religious belief and sexual identity have a right to be protected from abuse

3. We are committed to following the current Scottish Swimming's Wellbeing & Protection: Child & Young People policy & guidelines. All our volunteers / staff are members of Scottish Swimming
